I don't. If we see Avi, we'll follow up with him, but we don't have any time scheduled with him before our regularly weekly meeting on Monday. Maybe give him a day to call you back, and if you don't hear from him, let me know and we'll see what we can do here. Could also have your RA (or her office) call him. Just thinking out loud....

Avi,

I just left you a voice mail update. Here is that same update by email:
